Price: € 1,700 incl. VAT for one Training Day. I am not registered to pay VAT.

The price does not cover expenses related to accommodation and meal.

The price covers the preparation, processing the outcome documentations (e.g. photo copies of flipchart pages, video recordings of exercises, summary of the final training evaluation from the participants, written evaluation from the Trainer, etc.) and transportation to the training location in the region of the Czech & Slovak Republics, in rooms determined by the Client. The technical support tools (e.g. flipchart, projector, audio reproduction, print of necessary documents) are a subject of agreement.

The price is final and will not be increased by any other extra expenses.

Further Client requirements and price changes are subject of written agreement.

In case of confirmed training date cancellation in a period shorter than 14 calendar days prior the actual date without determining an alternative timing, a penalty accounting for 50% of the original price will be charged.

Price Volume Discounts (prices include VAT):

from the 5 th day:	10%
from the 10 th day:	15%
from the 20 th day:	20%
from the 30 th day:	25%
